Please join us at Grand Union Pub for a day of fun, food (Special Kids Menu with Gluten Free items) and music as we join in celebration to help support Surfers Healing North Carolina. There will be a silent auction and a raffle (no need to be present to win.) The musical talent of The Travelers, Shine and T.O.M.D. will entertain us throughout the day and into the night.

Surfers Healing day camps, which are free to participants, have seen an explosion in attendance. Many doctors and therapists now agree that exposing autistic children to various kinds of stimulation can be a valuable part of a comprehensive treatment plan. While hopeful for a future cure, their vision for Surfers Healing focuses on what we can do today. The continuing mission of Surfers Healing is to share the therapeutic experience of surfing with autistic children and their families, and give them one beautiful day together at the beach. We are raising money to bring Izzy and his volunteer group of Professional Surfers from all over the United States to Wrightsville Beach. Thank you in advance for your generosity!
